Canada PM gets pelted with stones

CANADA'S Prime Minister Justin Trudeau has been pelted with stones thrown by protesters during a campaign stop.

He was returning to his bus after visiting a brewery when he was struck, but was not injured.

Mr Trudeau called a snap election in mid-August, in the hope of gaining a majority government for his left-of-centre Liberal party.

But his campaign has been disrupted by demonstrations against COVID-19 vaccine mandates and other restrictions.

Just over a week ago, he was forced to cancel an election rally after a crowd of angry people ambushed the event.

Speaking to journalists on his campaign plane after the latest incident in London, Ontario, Mr Trudeau said he may have been hit on the shoulder by gravel.

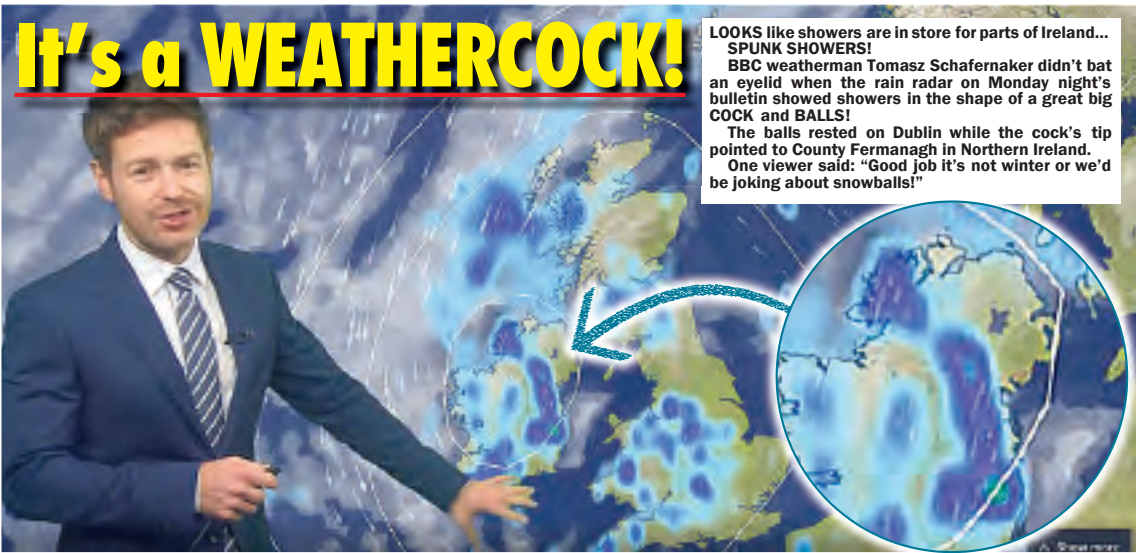

Property prices hit record high

THE average UK property price hit a record high of £262,954 in August, according to an index.

The typical price is more than £23,600 higher than when the housing market was starting to reopen in June 2020, Halifax said.

But they added that annual house price inflation slowed to a five-month low of 7.1 per cent last month.

Wales remained the strongest performing area, with annual house price inflation at 11.6 per cent and the only double digit rise recorded across the UK during August

LOOKS like showers are in store for parts of Ireland... SPUNK SHOWERS!

BBC weatherman Tomasz Schafernaker didn't bat an eyelid when the rain radar on Monday night's bulletin showed showers in the shape of a great big COCK and BALLS!

The balls rested on Dublin while the cock's tip pointed to County Fermanagh in Northern Ireland.

One viewer said: "Good job it's not winter or we'd be joking about snowballs!"

No plans for a lockdown, says minister

VACCINES minister Nadhim Zahawi said he has seen no plans for an October "firebreak" lockdown if cases rise this autumn.

Asked on BBC Breakfast whether the Government is looking at a possible lockdown in October, he said: "I know where this comes from. The i newspaper was reporting that they think there could be a possible lockdown."

"Look, vaccines have given us the ability to reduce infections, to save 100,000 lives."

"It is through the booster programme that I hope we can transition the virus from pandemic to endemic status and deal with it year in, year out."

"It is going to be with us for many years but we will not have to close our economy or take the measures we had to sadly take in December of last year."

Asked about the firebreak reports on LBC, Mr Zahawi said: "I haven't seen any plans around this."

Earlier this year he said there were no plans to introduce vaccine passports, which will come in later this month.

TORY FURY AT BORIS TAX HIKE

Anger as PM breaks election pledge

BORIS Johnson faces a furious Tory backlash after unveiling a manifesto-busting tax raid to bail out the NHS and "fix" social care.

The PM yesterday vowed a revolution in social care and the "biggest catch-up programme in its history" for the NHS, all funded with a £12billion tax bill.

In a bold package that could define his premiership, he said national insurance rates will rise by 1.25 per cent from April, with most of the cash initially going to stabilise the health service after the pandemic.

And he finally gave the shape of his vision for social care, saying that reform can no longer be "ducked" and the elderly should not lose their savings and homes to the "bolt from the blue" of dementia.

From October 2023 no-one should have to pay more than £86,000 for

care over their lifetimes. Alongside the cap, there will be a "floor" of £20,000 in assets, and anyone with less not required to contribute to costs.

But Conservative former leaders Lord Hague and Iain Duncan Smith joined a welter a criticism, saying that the public will not forget the "defining moment" of the 2019 manifesto being effectively torn up.

Mr Duncan Smith said the policy looked like a "sham" that will not fix the problems with social care.

And one leading MP told *Midweek Sport*: "The PM is taking a massive gamble that he can carry the public on this one. If he's got it wrong, he's finished."

Mr Johnson admitted that he was breaking a manifesto commitment not to raise NI, but said: "A pandemic was in no-one's manifesto."

COVID's a killer for northerners

NORTHERNERS were more likely to die from COVID-19, spent almost six weeks longer in lockdowns and were made poorer than the rest of England during the first year of the pandemic, a report, for the Northern Health Science Alliance, found.

Academics analysed Government statistics to show how much worse it affected the North East, North West and Yorkshire and the Humber compared to the rest of England.

Public health experts said the blame for the increased mortality could be explained by the higher deprivation levels and worse pre-pandemic health in the North.

KIM DECLARES WAR... ON CLIMATE CHANGE

TUBBY tyrant Kim Jong-Un has called for "urgent action" on climate change after floods and droughts destroyed vital crops in North Korea, leading to yet another major food shortage crisis in the beleaguered country.

The dictator ordered his officials to tackle the effects of the "abnormal climate" during a Politburo meeting where he said the "danger" of global warming has become higher in recent years.

The impoverished, nuclear-armed hellhole, has been hit by severe floods in recent years and is now tackling a food crisis in a nation with a rubbish agricultural sector that has long struggled to feed itself amid the COVID-19 pandemic.

During the meeting, Kim

said the "disastrous weather" is becoming more pronounced globally. "Our country is also lying vulnerable to its danger," Kim said.

Last year, North Korea suffered severe flooding, which damaged vital crops and left hundreds of families without homes.

This year, crops were also damaged by droughts and subsequent flooding.

Heavy rains in north-eastern regions destroyed or flooded 1,170 houses and forced 5,000 residents to evacuate to safety, state TV reported.

Rains in North Korea often cause serious damage to its agricultural and other sectors due to their poor drainage systems, deforestation and dilapidated infrastructure which the country is too poor to repair.

SEXY Christina Aguilera was plunged into a kinky BUM SEX riddle after posting topless snaps on her Instagram.

The 40-year-old songstress posed in front of her dressing table with her lengthy platinum blonde hair flowing down her ample chest.

The *Genie In A Bottle* hitmaker first posed with her thumb tucked into the pocket of her denim jeans as she flashed a sultry gaze at the camera.

Her face was impeccably made up for the at-home shoot, but not everyone really cared about Xtina's locks or her lipstick when the pictures were posted on the website of the hate-filled Daily Mail.

A sex troll calling themselves Mr Sanderson from Harrogate, North Yorks, commented: "Bet she likes it in the wrong one."

Panties thief is nicked with 730-item haul

AN underwear thief has been arrested for stealing a staggering 730 bras and panties from laundrettes.

Tetsuo Urata, 56, was arrested after police found the huge stash of female undies in his apartment.

The extent of his underwear obsession was laid bare when police released an image showing the entirety of the stolen lingerie collection.

Cops were first alerted to the case when a 21-year-old college student spied Urata stealing six pairs of her knickers at a laundry on August 24.

Officers discovered the rest of Urata's stolen haul when they tracked him down a week later at his flat in Beppu, Japan.

Urata admitted to pilfering the panties, a report said.

A police spokesman said: "We haven't confiscated such a large haul of panties in years."

CHEMISTRY: Nicole and Tiffany kiss in *Nine Perfect Strangers*

OBLIGING: Nicole has got 'em out in loads of acting roles, like *Big Little Lies*

By JAYNE FERGUSON news@sundaysport.co.uk

EVEN at 54, Nicole Kidman is still causing turmoil in our trousers.

The Aussie babe, who has stripped off for a host of roles including *Big Little Lies*, has made bollocks bubble over again in the latest episode of her series *Nine Perfect Strangers*.

Nicole's character Masha is seen locking lips with Tiffany Boone in the Amazon Prime show.

Her character has proven to have less than wholesome methods of getting her clients to 'open up' to her at her wellness resort.

In episode five of the thriller book adaptation, titled *Sweet Surrender*, Masha is confronted by Delilah (played by Tiffany), one of her right-hand ladies at the retreat.

It seems there's underlying sexual chemistry between the two women, and soon they're kissing.

A fan said: "I am a huge fan of Nicole's acting and her pert breasts and pert, pink nipples.

"And now lesbo too? All she needs to do now is a bit of light anal and maybe a little wee-wee and I would marry her. On the spot."

Meg 'shag on Airbnb table' hint's blasted

MEGAN Fox and Machine Gun Kelly are facing criticism after they implied they had sex on a dining table in an Airbnb in a social media post.

Megan, 35, posted photographs of herself leaning back against a large table in a luxury Airbnb rental home in an unknown location, with the caption: "When I tell you that the table at this Airbnb saw some things."

Kelly, a 31-year-old rapper, added in a comment: "I'm really glad that's not our table anymore."

A screenshot of the post and comments was posted on the popular Instagram account @commentsbycelebs.

Social media users branded the post as "too much", and called on the couple to buy the owners of the Airbnb a new table.

One commenter said: "This is why they charge so much for Airbnb cleaning fees".

Another branded the post as "gross", adding: "Please find some shred of decency and buy the owners a new table."

Firemen called in to save man's trapped ballbag

A KINKY fella got a padlock stuck on his BOLLOCKS when a sex game went wrong and had to have his nuts cut free by firefighters.

The man's privates had been trapped for 48 hours before he finally went to A&E for help.

But staff at St Richard's Hospital, in Chichester, West Sussex, could not help so they called in firefighters, who used bolt cutters to chop off the combination lock.

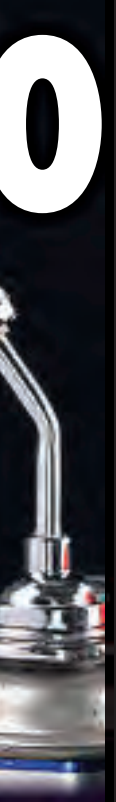

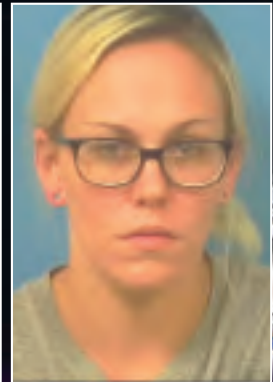

A hospital source said: "Firefighters were there for more than an hour."

"The chap was very embarrassed but relieved."

West Sussex Fire and Rescue Service said: "We were called to assist with a rescue of a man from a padlock on a part of his body at 10.43am. One crew was mobilised and used bolt cutters to remove the item."

TORTURED WITH A BLOWTORCH AND FORCED TO WALK NAKED OFF CLIFF

NABBED: Alleged killers Dent, Mehn and Pate are locked up pending a trial

By COLIN HURST

news@sundaysport.co.uk

PROSECUTORS are considering the death penalty for three people accused of torturing and murdering their neighbour in a remote desert.

Roy Jaggers, 27, was tortured for hours with a blowtorch, knives, a baton, and an axe before being stripped and forced to walk off a cliff.

The victim survived the plunge but his broken body was then blasted to bits with a shotgun.

Heather Pate, 27, her boyfriend Kevin Dent, 36, and her former boyfriend, 37-year-old Brad Mehn, are being held without bail over the brutal killing.

Cops in Las Vegas allege that Pate and Dent lured neighbour Jaggers to her home on August 1 after believing he had harmed her son.

Jaggers occasionally babysat Pate's children, the victim's mother said, adding that her son would never have harmed the young boy.

She said: I know exactly what he was like, what he's capable of, what he's not capable of."

A police report alleges Jaggers was beaten in Pate's home, before being handcuffed and put into her car.

Pate and Dent then allegedly drove Jaggers to the town of Pahrump, where they met up with Mehn, according to the Sheriff's office.

Jaggers was then allegedly taken into the desert and tortured for hours, before the trio drove him 25 miles to Cathedral Canyon.

They then allegedly stripped him of his clothes and forced him to walk off a cliff.

SHEER HELL: Canyon Roy Jaggers (right) was forced to walk off

Trio face death penalty for gruesome murder

Jaggers was then shot multiple times as he lay in the desert sands, police say.

An emergency call was made at 6.20am by an unknown caller who reported seeing a body between Mountain Springs and Pahrump.

Desolate

Police Captain David Boruchowitz confirmed in a statement that police received a phone call about a body found in a remote part of the canyon.

The sheriff's department arrived at the scene and confirmed they found a body of a young adult male and were able to identify him by his fingerprints.

Pate was the last person Jaggers was seen alive with, and she was arrested after police obtained a search warrant for her home.

Police later arrested Dent in his home and Mehn as he was driving to Pahrump.

The father of Pate's children is now seeking full custody, saying that the children witnessed part of the beating of Jaggers.

He states in court filings: "There are video recordings of the crimes being committed, and as disturbing as that is, it is much more disturbing that in one recording, the children are seen entering the room while the defendant/mother and her criminal

co-defendants were committing various physical, criminal acts against the deceased."

Thomas Gibson, Mehn's lawyer, said that prosecutors are considering the death penalty for his client.

Mehn is accused of shooting Jaggers multiple times (his ultimate cause of death) after he was forced to walk off Cathedral Canyon.

Police say they took evidence from Dent's and Mehn's residences. Mehn was not home when the police obtained the warrant to search his home.

After being arrested on the side of Route 160, Police say Mehn took them to the murder weapon and additional evidence was taken there.

Outside of a failed trespassing charge, Jaggers did not have any criminal history and his parents insisted he was a kind man who would not hurt anyone.

Mehn had no prior criminal history outside of a traffic violation.

Pate had a possession of drug paraphernalia charge that was dismissed but Dent had done prison time for assaults.

Midler protest: Refuse to have sex with men!

SCREECHY singer Bette Midler says women everywhere should sing a new tune in the bedroom to protest new, strict anti-abortion laws like the one in Texas.

"I suggest that all women refuse to have sex with men until they are guaranteed the right to choose by Congress," the famed actress and singer (above) tweeted.

Nancy Sinatra told Midler on Twitter that "My dad actually suggested that decades ago."

One commenter told Midler, "Did you know you're my Shero?"

The US Supreme Court has voted 5-4 on denying an emergency appeal filed by abortion providers in an attempt to block the Texas abortion bill.

Signed by Texas Governor Greg Abbott in May, the new law prohibits women from getting an abortion after a foetal heartbeat can be detected, roughly around six weeks and before most women know they are pregnant.

Satanists join fight against abortion law

A GROUP of Satanists is bedevilling the restrictive new abortion law in Texas.

The Satanic Temple, a religious group based in Salem, Massachusetts, has joined the backlash against the measure, which bans abortion after six weeks.

It lobbied the Federal Drug Administration to provide abortion pills to its Texas members, arguing it qualifies as an exemption as a faith-based group that supports the procedure.

The Temple, which pledges to "generate attention and prompt people to reevaluate fears and perceptions", as well as "highlight religious hypocrisy and encroachment on religious freedom," reportedly cited the Religious Freedom Restoration Act, which allows Native Americans to use drugs in religious ceremonies.

CHEF Jamie Oliver has revealed how he once scalded his COCK while cooking in the nude.

The culinary star revealed how he once tried to live up to his Naked Chef nickname and whip up a meal in the nuddy to impress his wife Jools... with disastrous results.

Speaking to KISS 106.5's Will and Woody, the 46-year-old recalled to host Woody Whitelaw how he had scalded his penis while cooking fish on a date with Jools 20 years earlier. "I did a whole roasted sea bass, and I thought the coolest thing to do as *The Naked Chef*, would be to serve it naked," he said.

Climax

"The only thing I was wearing was a bow on the end of it. A red bow, to be specific... I tied it, and it was a double knot. I opened the oven to check the seabass halfway through."

The audio on the call then cut out, but Jamie reappeared moments later to reveal the climax of the story.

"When I went to check, what I imagine was a perfect laser shot of steam attacked my penis."

"The pain for us men of, let's just say a 'mid-range penis size', was a

hard pain to explain, as it was the worst pain of the world.

"Yet what happened was one of the most beautiful things I ever saw."

As a bewildered host Woody asked: "What do you mean... because it swelled up?"

Jamie laughed: "Yeah mate, what's your problem? Do you want me to draw you a picture? It's not rocket science!"

Revealing Jools's response, he added: "She turns up, and I'm sat down on what was a very nice vintage leather seat with frozen peas on my penis. I was obviously very distressed, and she thought I was stupid and ridiculous. But ultimately, it's all about caring and I had tried, and made the effort."

He urged the host to "go all out" and be romantic when cooking for a partner, but warned: "Don't do it naked. It doesn't work."

Jamie, who has just released a new cook book called *Together*, married wife Jools in 2000.

They have five children, Poppy, 19, Daisy Boo, 17, Petal Blossom, 12, Buddy, 10, and River, five.

Disney teen's snub for first kiss in sitcom

ZENDAYA has revealed she refused to have her first kiss on camera while a teenage Disney Channel star.

The Hollywood actress (above), 25, first found fame playing Rocky Blue on sitcom *Shake It Up* from 2010.

And it was on that show she said she snubbed her first kiss.

Zendaya, speaking to British *Vogue*, said: "I remember being on *Shake It Up* and being like, 'I'm not gonna do this. I'm going to kiss him on the cheek because I haven't been kissed yet so I don't want the kiss to be on camera'."

Elsewhere in the interview, Zendaya, who is dating her Brit *Spider-Man* co-star Tom Holland, said of her future: "One day I'll have a family, but I'm not trying to put a number on it."

In October Zendaya will appear in sci-fi epic *Dune* alongside Timothee Chalamet.

And in December she will be in *Spider-Man: No Way Home*, reprising her role as MJ, the superhero's love interest.

Naked drunk laid a cable in hotel hallway

A NAKED hotel guest was pissed when he SHAT on the hallway floor outside his room, a court heard.

Truck driver Rafal Bendowski, 39, was arrested when cops were called to attend the St George Hotel in Dublin.

The Polish national, who has no fixed address, was charged with criminal damage and pleaded guilty when he appeared at the city's District Court.

Prosecutors told the court a report was received that "a guest was naked in the hallways and had defecated on the carpet outside his room".

At the time of the incident, Bendowski had too much to drink and "didn't know what he was doing", his solicitor said.

Granting bail, the judge adjourned the case for two months for Bendowski to come up with the cash to pay for damages.

WIFE FACES TRIAL FOR SEX WITH A ROTTWEILER

PROSECUTORS have finished preparing evidence for the bestiality case against a woman accused of engaging in a sex act with a Rottweiler dog.

The woman, 29, is accused of a single offence contrary to section 61 of the 1861 Offences Against the Person Act.

The charge states it is alleged she committed an act of buggery with an animal, a mixed breed dog, which was part Rottweiler, at her home in Dublin.

Interim reporting restrictions preventing the media from identifying the accused were imposed when the case first came before Dublin District Court in June.

But it is believed she is a married woman.

Tougher

When the case resumed, Judge Treasa Kelly was told that the Director of Public Prosecutions had now completed a book of evidence and it was ready to be served on the woman.

Her solicitor, Tony Collier, said the defence had not thought it would be ready and as a result his client was not in court.

The judge adjourned the case until later this month and remanded the woman on continuing bail.

When she appears in

By **COLIN HURST**
news@sundaysport.co.uk

court, the book of evidence will be served and the woman can be sent forward for trial to the circuit court, which has tougher sentencing powers.

The judge extended temporary reporting restrictions and told Mr Collier that she has read the case law and will give her decision at the next hearing as to whether they should be continued.

When the case first came before the court, Mr Collier had applied for them to be imposed.

He conceded his client was not entitled to that protection but argued the publication of her name could bring about difficulties.

He also argued the nature of the charge and revulsion it might receive from media

attention may affect future proceedings and could be prejudicial to her right to a fair trial.

Although there was no legislative provision, the court had discretion to impose reporting restrictions, he said.

Mr Collier cited High Court and Supreme Court rulings setting out how courts had common law jurisdiction to impose reporting restrictions where there was no legislation provided in the act under which a prosecution was brought.

Such an order could be made on an interim basis, he had submitted.

He also told the court that his client has a defence.

Legal aid was granted after Mr Collier said the woman was a suitable candidate and was on social welfare.

A statement of her means will be furnished to the court.

Starving monkeys raid homes for food

HUNGRY monkeys are raiding houses on the paradise holiday island of Bali, because there are no tourists to feed them titbits.

Villagers now pay a daily bounty in fruit, peanuts and other food to prevent a potentially violent invasion from the 600 primates who live in a nearby sanctuary.

"We are afraid they will turn wild and vicious," local Saskara Alit said.

International travel to Bali was banned in July, cutting off 6,000 tourists a month to the Sangheh Monkey Forest.

"Food for monkeys is a problem," sanctuary operations manager Made Mohon said.

'DON'T BE NASTY' TO ACCUSED MASS KILLER

A JUDGE has ruled that prosecutors can't be RUDE about a maniac who allegedly murdered 17 people in a mass shooting.

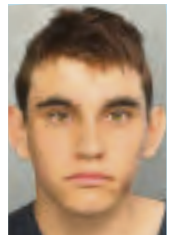

Accused Nikolas Cruz, 22, can't be referred to in disparaging terms like "animal" or "the thing" by the prosecution and witnesses during his trial.

Circuit Judge Elizabeth Scherer said it would be impossible to create a list of all acceptable and unacceptable phrases but agreed that "animal", which many of the victims' families have called Cruz in media interviews, goes too far when referring to him.

The mass shooting at Marjorie Stoneman Douglas High School in Parkland, Florida, in February 2018 killed 17 people and wounded 17 others.

Cruz (right) has pleaded not guilty to the killings.

No trial date has been set.

ON July 28, France's highest court, the Cour de Cassation, upheld two convictions of Teodorin Obiang Nguema Mangue, the vice-president of Equatorial Guinea.

Mr Obiang is the eldest son of the country's president Teodoro Obiang Nguema Mbasogo, the second-longest standing non-royal national leader on the planet.

Obiang junior's upheld convictions were for embezzling and laundering public funds, said Human Rights Watch and Equatorial Guinea Justice.

The decision ended over a decade of litigation and cements France's control over about £130m in stolen assets, which must go back to Equatorial Guinea for the benefit of those deprived of the resources.

The corruption case was initiated in 2008 against Mr Obiang junior by two French anti-corruption organisations, Transparency International-France and Sherpa.

At the time, he was the agriculture and forestry minister, but he was appointed vice-president in 2016 in a bid to bolster his claim of diplomatic immunity.

The criminal proceedings have served to cast a rare light on one of Africa's richest countries and its super-secretive and controlling family.

It revealed not only astonishing levels of corruption and lavish lifestyles but also a bizarre claim of CANNIBALISM...

THE case followed a U.S. Senate investigation into a bank's role in facilitating corruption by Equatorial Guinea's president and family.

It revealed that Nguema Obiang junior used his position to pilfer the country's accounts and launder the money in France.

Paris, as well as on a fleet of high-end cars, art, watches, designer clothes, and fine wines, through a network of companies.

The court decision in July makes France the third country to recover assets from Nguema Obiang that are to be returned for the benefit of Equatoguineans.

On July 20, France adopted a law requiring seized assets in corruption cases to be returned to the public from whom they were stolen.

In 2011, the U.S. Department of Justice seized over £60m worth of Nguema Obiang's assets, and in 2017, Switzerland seized his £80m superyacht and 25 supercars.

Bad

The U.S. Justice Department settled the case in 2014 after Nguema Obiang agreed to forfeit £25m.

Swiss prosecutors closed their probe in 2019 after he agreed to give up his cars, which raised over £22m at a subsequent auction.

Under both of the agreements, the forfeited assets must be returned to Equatorial Guinea but neither government has yet done so.

Nguema Obiang did manage, however, to hang onto the white glove the late superstar singer Michael Jackson wore during his *Bad* tour.

On July 23, the UK sanctioned Nguema Obiang with asset freezes and a travel ban on the basis of evidence uncovered in the cases.

Equatorial Guinea watchers still hope that the spotlight shone on the country's rulers will finally see the end of the Obiang family's rule.

But it seems the only event that could change things is the death of the country's current, long-serving leader, Mr Obiang senior.

And even at 79 years of age, he shows no sign of stepping down.

President Obiang overthrew his uncle, Francisco Macias Nguema Obiang, on August 3, 1979, in a bloody coup d'état.

He placed his uncle on trial for his actions, including genocide.

Macias was sentenced to death and executed by firing squad on September 29 that year.

A new Moroccan presidential guard was required to form the firing squad, because local soldiers feared his alleged magical powers.

Obiang then declared his new government would make a fresh start from Macias's brutal and repressive regime.

He granted amnesty to political prisoners and ended the previous regime's system of forced labour.

But he made virtually no mention of his own role in the atrocities committed while in the

THE WORLD'S DEADLIEST DICTATORS

army and running prisons while under his uncle's rule.

And there is still no genuine opposition to his rule, or at least, not one brave or reckless enough to go up against him.

All but one of the seats in government are held by his own Democratic Party of Equatorial Guinea.

Opposition

In a rare interview with German newspaper *Der Spiegel*, Mr Obiang asked: "What right does the opposition have to criticise the actions of a government?"

Even if an opposition could offer criticism, it would be difficult to find a way of getting its message out to poverty-

stricken citizens living in remote rural areas. There are no newspapers at all and all broadcast media is owned by the government or operated by its allies.

Indeed, in July 2003, state-operated radio declared Obiang "the country's god" with "all power over men and things".

It added that the president was "in permanent contact with the Almighty" and "can decide to kill without anyone calling him to account and without going to hell".

He personally made similar comments in 1993. His predecessor and uncle, Macias, had also proclaimed himself a god.

One of Obiang's few

opponents has however accused him of being a cannibal.

Exiled rival politician Severo Moto has said Obiang "systematically eats his political rivals", and that he once "devoured" the brain and testicles of a police commissioner.

He was also said to have skinned opponents alive and has eaten their brains.

None of this can be proved but if anything, it enhances Obiang's rule of fear and control.

He has encouraged this cult of personality by ensuring that public speeches always end in well-wishing for himself rather than for the nation as a whole.

Creative

Important buildings have a presidential lodge, many towns and cities have streets commemorating Obiang's coup against Macias, and many people wear clothes with his face printed on them.

Like his predecessor and other African strongmen such as Idi Amin, Obiang has given himself several creative titles.

Among them are "Gentleman of the Great Island of Bioko, Annobón and Río Muni". He also refers to himself as El Jefe (the boss).

Abuses under Obiang have included "unlawful killings" by security forces; government-sanctioned kidnappings;

systematic torture of prisoners and detainees by security forces".

"And there are more: "severe life-threatening conditions in prisons and detention facilities; impunity; arbitrary arrests; detention; and solitary detention."

The president sits on a personal fortune of around £500million say researchers, and almost of it really belonging to the country.

In 2003, Obiang had told his citizenry that he felt compelled to take full control of the national treasury in order "to prevent civil servants from being tempted to engage in corrupt practices".

Obiang then promptly deposited more than half a billion dollars into more than 60 accounts controlled by himself and his family in a U.S. bank in Washington.

Billions more from dodgy oil deals are suspected of having flowed into yet more Obiang-controlled secret accounts scattered around the world.

Then the U.S. Senate launched its probe and the embezzlement and money-laundering by Obiang junior came to light.

Yet it could, and should, have all been so different.

The discovery of oil in Equatorial Guinea in the 1990s generated enormous wealth that could have transformed the lives of those living in the small central

...AND THAT GLOVE

African country, had it been used to meet the government's social and economic obligations as to rights.

Corruption

Systemic corruption and self-dealing has largely squandered that potential.

The president still maintains full control over the government and does not tolerate dissent.

Few, if any, details of the country's budgets are published and public spending is opaque.

The recovered assets awaiting repatriation to

Equatorial Guinea by the three countries could finally deliver to the broader public tangible benefits from oil wealth.

Until now, those national assets have largely been enjoyed by a small group of the political elite, and specifically, the Obiang family.

But since the Obiangs remain in positions of power, and corruption in the country remains endemic, there is a high risk that those assets will be misused once returned.

Equatorial Guinean officials have attacked the corruption cases as a neo-colonialist attempt by foreign governments to loot the country's resource wealth.

Assets

That, then, makes it critically important to keep the recovered assets independent from the government that seized them.

"This case, along with those in the United States and Switzerland, have exposed how the president's son used his position of power to rob Equatoguineans of their rights."

"But they have fallen short of holding him accountable," said Tutu Alicante, executive director of EG Justice, back in July.

"Foreign governments need to right this wrong and sanction Teodorin for corruption."

Don't hold your breath...

DEAD MAN KILLED THREE

DNA LINK: Kimberley, Sia and Jessica were Fernandes' victims

Cops find serial slayer... 16 years after he died

A SERIAL killer has been identified...16 YEARS after he died in a plane crash.

Roberto Fernandes was named as the beast who murdered three women in the early 2000s.

Brazilian Fernandes' body was exhumed after he was linked via DNA evidence to the cold case deaths of Kimberly Dietz-Livesey, 35, Sia Demas, 21, and 24-year-old Jessica Good.

Fernandes beat Dietz-Livesey to death in the summer of 2000, shoved her body in a suitcase and left her on the side of a road in Cooper City, Florida.

He killed Demas weeks later, also stuffing her body in a suitcase and leaving her on a road in Dania Beach, Florida.

A year later Good's body was found floating in Miami's Biscayne Bay. A spokesman for Fort Lauderdale police said: "We were fortunate that both our government here and a partnership we had with Brazil gave us the opportunity to get to a point where they exhumed the body to get DNA evidence confirming this suspect, Roberto Fernandes, was indeed responsible for the brutal murder of these three women."

Dietz-Livesey and Demas worked as prostitutes and that may have been how Fernandes met them.

The sheriff's office said he most likely killed others.

One detective said: "Someone who has this type of violence and dis-

regard for life, I find it hard to believe that they limited themselves to three victims."

Investigators initially noticed a pattern in the murders but couldn't connect all three.

A decade later, they linked DNA collected at all the crime scenes and matched fingerprints from two of the murders to Fernandes. His body was exhumed in Brazil last October.

Fernandes had been acquitted of killing his wife in 1996 in Brazil by claiming self-defence.

He reportedly crashed his plane in 2005 while trying to flee Brazil for Paraguay after learning that assassins may have been hunting him to avenge his wife's death.

Before his body was exhumed investigators feared Fernandes might have faked his death.

A source said: "We wanted make sure the son of a bitch was really dead."

BOUNCY Billie Rae is looking forward to the trains running properly again...

Because the buxom tattooed beauty 'fessed she had full-on SEX in a SEAT on a carriage.

The cheeky redhead, from Croydon, south London, boasts whopping 34E fun bags – so we imagine those bobbing up and down in public didn't go unnoticed.

She told *Midweek Sport*: "Sex outdoors drives me wild! It's a real turn on knowing you might get caught."

"I've had sex in a load of places. I've done it on the beach, in the back of cars,

at a bus stop and even once on a train.

"Not in the toilet or anything, just literally on the seat in a carriage."

"The thrill is amazing and seems to make the sex feel so much better."

The glamour model also revealed she loves watching porn with a lover and is game for making a SEX TAPE and having a kinky ménage-a-trio.

"I'd love a threesome with two blokes!" she said.

"I just know it would be so hot and I really like the idea of being the centre of attention."

WHAT'S ANNOYING HIM THIS WEEK?

How many more will die 'protecting the NHS?'

TRAGIC:
Sarah
Harding

It was only last August that a fit, young and beautiful lady walked into a doctor's office to receive news that would change her life.

Or rather, it would signal the end of it.

In the most tragic of very public circumstances, Girls Aloud star Sarah Harding died on Sunday from breast cancer.

She'd only revealed her private battle against the disease in March.

She spoke revealingly about how she'd undergone a mastectomy – the removal of a breast – and then endured gruelling chemotherapy to fight the cancer.

But it wasn't enough.

Doctors told her the aggressive disease had spread to her spine and she wouldn't see another Christmas.

They were right.

Just six months later, she was dead at just 39 years young.

Cancer is undoubtedly a complete bastard of a disease, and one which will touch upon all of us at some stage.

Whether because we are unlucky enough to have it, or know a relative or friend or colleague that has.

What struck me about Sarah's death, though, was that she had initially put off seeing her GP despite finding disturbing lumps under her arm early last year.

They clearly worried her.

But she hesitated to see her doctor because of the coronavirus pandemic. She didn't want to take up NHS time.

So while people were out on their

doorsteps every Thursday evening clanking pots and pans as they joined the campaign to "protect the NHS", Sarah Harding was literally dying.

Hers, of course, will be the case we mainly remember because of her high profile.

But how many other people have died in order to "protect the NHS"?

The backlog of operations not performed because of COVID differs on who you believe, but it still runs into millions.

Just last month, one estimate claimed a staggering 13 million people had swerved seeing their GP.

The "protect the NHS" shtick was incredibly successful – unless you happened to die while protecting it.

But the NHS exists to help US, not the other way around.

Donkeys

Which is why we must stop treating it as some sort of pseudo religion.

It's an organisation clearly staffed by lions but definitely led by donkeys.

If we really want to save and protect the NHS – which every political party at every election claims they are the only ones that will – then we need to do something else first.

That is, have a grown up conversation about how it is run.

And a real look at how it buys stuff, which is different all over the country.

It's a massively expensive endeavour and one which needs a root and branch reorganisation.

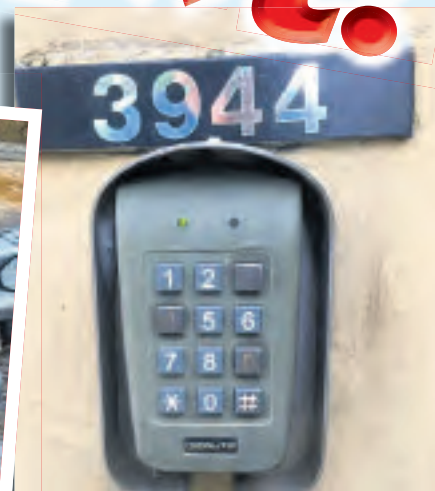

Let's really "protect the NHS" by transforming it back to what it once was – a health service that a worried, poorly Sarah Harding would not feel guilty to bother.

Duck quacks phrase 'you bloody fool'

BOFFINS have discovered DUCKS that not only talk but also SWEAR!

Ripper, a musk duck raised at Tidbinbilla Nature Reserve south of Canberra, Australia, has been heard seemingly repeating the phrase 'you bloody fool'.

The researchers, from Australia and Leiden University in Holland, believe the duck was mimicking a phrase he heard one of his caretakers utter.

Another recording reveals that Ripper can imitate the sound of the door to his aviary being opened and closed.

Both imitations were made during his mating displays.

The findings indicate that musk ducks have comparable vocal learning abilities to other mimics like parrots, European starlings, mynah birds and budgerigars.

According to the researchers, Ripper would issue the sounds in a repetitive series, just like the so-called 'whistle-kick' which forms part of a regular mating display.

Surfer dies after shark bit off arm

A SURFER has died after his arm was bitten off by a shark.

The man, believed to be in his 20s, was attacked off Shelly and Emerald beaches in Coffs Harbour, 330 miles north of Sydney, Australia.

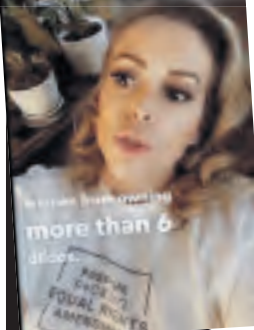

"A number of local surfers and bystanders came to the aid of this man," New South Wales ambulance official Chris Wilson said.

"Despite the best efforts of bystanders, paramedics and other emergency services, the patient couldn't be revived."

Witness Aaron Armstrong said it was the first shark attack in the community that he and other locals were aware of.

"It will change the fabric here a little bit for a while, that's for sure," he said.

SHOWBIZ EXCLUSIVE

HOW MANY HOLES DO YOU HAVE TO FILL?

DILDO RANT:
Sexy actress Alyssa

By SUZIE SHELTON
news@sundaysport.co.uk

FURIOUS Texans mocked Hollywood star Alyssa Milano after the beauty pointed out that the state only allows women to own SIX dildos.

Milano, 48, was attacking Texas after lawmakers there imposed new restrictions on abortions.

The firebrand pointed out on Twitter: "Just a reminder, there's a law in Texas that prohibits a woman from owning more than 6 dildos. But

you can own as many guns as you want."

She later put out a video message stating the same fact.

But Texans, famed for oil, beef and shooting each other, were not happy that a leftie Democrat was mocking the Lone Star state and responded with their own hoots of derision.

"How many holes do you have that you need more than 6?" one Twitter user asked.

Another added: "How many holes do you have to fill?"

A man called Chad added: "Why do you need more than six? That's a clean dildo everyday of the week, except the Lord's day. You rest your nasty vulva on the Lord's day."

Sodden

Many women own large collections of dildos, but it's widely accepted that a maximum of two can be used at the same time.

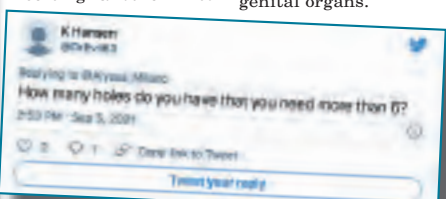

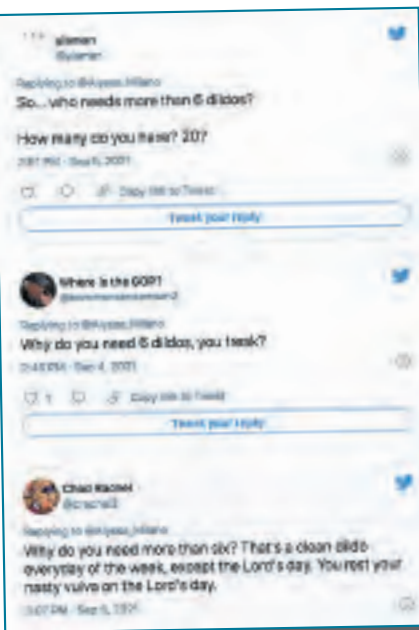

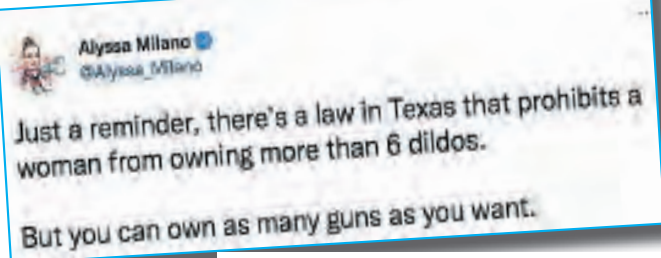

Some ladies are known to like sliding one dildo into their sodden vaginas while inserting another into

their puckered bumhole.

It is not known if sexy Alyssa likes to impale her vagina on one throbbing rubbercock while diddling her fragrant anus with another.

Passed in 1973, Texas' obscenity statute says it's a crime if someone "possesses six or more obscene devices" or identical or similar obscene articles.

The statute further defines an "obscene device" as "a device including a dildo or artificial vagina, designed or marketed as useful primarily for the stimulation of human genital organs."

THE WORLD FAMOUS AGONY Page

Dear Bexie,

I PLAY cricket every Sunday for a local club and rarely get injured for a 40-year-old.

But a few weeks ago I went for an ambitious catch and pulled a muscle in my back.

I went for a session with a sports physio and was greeted by a blonde with a cracking body.

As she turned me over my cock sprang out from under my loosely-fastened towel. Without hesitation she gripped my shaft and sucked me off until I shot my load.

Afterwards, she apologised and said it could cost her her job if I said anything.

She begged me not to tell anyone, but I told my team and they've all had appointments with her too with similar results.

Should I go back for another helping?

ST, Manchester

Bexie says...

NOW you've blabbed you'll never get another full toss.

Dear Bexie,

THE other day I was walking in the park and I noticed a young couple snogging.

It was early evening and I had nothing else to do so I hid behind a tree to watch.

I saw him ease his hands down her knickers and she parted her legs as he gave her a right good fingering.

Then she stood up, slipped her dress over her head and bent over against a tree.

The fella got his nose in and started slurping on her pussy, then he leaned against the tree while she dropped to her knees and sucked him off.

Finally, they got down on the grass and he gave her a good seeing-to. Needless to say I was wanking like a good 'un, until I noticed an old granny watching me and frigging herself off.

The sight of it has put me off sex.

Can you help?

TB, Dorset

Bexie says...

BE pleased that seeing you pleasuring yourself has given someone else pleasure.

Dear Bexie,

MY wife is absolutely insatiable when it comes to sex and she's never happier than when she's enjoying multiple orgasms.

She's also a right cracker, aged 25 with 34DD jugs and a lovely bum.

A couple of weeks ago, while I was shafting her from behind, she suddenly blurted out that she wanted to be f**ked by three men at once.

Needless to say, I was taken aback as I thought I'd been keeping my end up pretty well and she's never complained about my efforts in bed.

But I was game for some fun, so I invited two fellas from work.

We soon had her stripped and it was a blur of tongues and fingers as we played with her.

One of them turned out to be extremely well-hung and

when I saw his 10-inch weapon easing in and out of my wife's juicy fanny, I feared the worst.

She was obviously really enjoying the pounding he was giving her but as I took her up the arse and she sucked off the third guy, I tried hard not to think about it.

Now, though, she's suggested that in future we just invite Mr Ten Inches round for some kinky action.

I fear it may only be a matter of time before she walks out on me for him and his donger.

What can I do?

RG, email

Bexie says....

YOU'RE right to be worried. Tell her the only length she'll be getting in future is from you.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

Horny young office babe spiced up my sex life

Dear Bexie,

AS a 49-year-old bloke, I've been happily married for 27 years – until my firm employed a new office junior.

She's 18, stunningly fit, has a top personality and is very mature for her age.

After a couple of days showing her the ropes, I asked if she'd like to join me for lunch so we went to a bar and enjoyed a good chat.

I couldn't help but notice how attractive she was and as she leaned over to talk intimately with me I could see her amazing cleavage down her low-cut top.

On the way back to the office she asked if I was married and, for some bizarre reason, I said I was single.

Luscious

She said she was surprised because I was good-looking and had a nice, easygoing manner.

I was flattered and I offered to take her for a drink after work.

We went to a different bar in town and I was so wrapped up in her that I hardly noticed it was 10pm.

Anyway, it was a Friday and I have sometimes stayed out for a drink with my workmates, so I asked this luscious girl what she wanted to do next.

She said she'd like to go to a new club which had opened and as I was going to get a bollocking anyway, I reasoned that I might as well go for broke.

As I danced close to her I could feel a stirring in my pants and reckoned she felt it too.

When the club closed she asked me to take her home, explaining that her parents were away.

We jumped into a taxi and I felt her hand slip between my legs, which sent my dick into an even more excited state.

At her home, we stripped off and shagged with an energy and abandon I'd not experienced for years.

Now she's got a flat of her own and I'm getting a regular leg-over – but she wants me to move in with her.

How can I let her down gently and avoid the missus finding out?

TC, Sussex

Dear Bexie,

I'm a 19-year-old student and I am sleeping with a much older woman.

I was out with my mates on the town a few months ago and I shared a cab home with this fit older woman.

She grabbed my hand and rubbed it all over her shaven slot and I could feel my dick getting hard in my jeans.

Needless to say, I ended up back at hers and had the best night of sex ever.

We have slept together six or seven times since. But I've now found out she's 50, married and a GRANNY.

Is it right to carry this on?

FT, Carlisle

Bexie says...

KEEP your dick in your pants and she'll surely get the message.

Kelly says...

IF you enjoy the sex, don't worry about it!

Pool player's 10-inch cue proved a winner

Dear Bexie,

I'm a member of the female pool team at my local pub and we practice with its men's team every Tuesday night.

The other week one of the guys offered to play with me. The other girls all fancy him, but I'm married and I'd never thought about him in a sexual way.

We had a couple of games and I was bending over the table when he came over and said he could help me with my cue action.

As he did so, I could clearly feel his massive penis pressing into my arse!

At the end of the night he was driving me home when he pulled in a layby "for a chat".

Licking

We talked and then he kissed me on the lips and from then on we were like wild animals.

In seconds we were starkers – and his cock was at least 10 inches.

He went down on me and gave me a good licking, and then I sucked him off before he got me on all fours and did me doggy-style.

I soon came but he was rampant and I did something I've never done before – anal sex.

And I was surprised how good it felt to have a hard knob up there.

But I feel bad about cheating on my hubby. What do you think?

PP, Essex

Bexie says...

TRY a spot of bum fun with your hubby, it might make you feel better.

Dear Bexie,

I'm a lusty 21-year-old and a bit of a ladies' man.

Last week, while doing a few odd jobs around my flat, I went to the local DIY store.

I couldn't find the wood-filler I was after and when I went to the counter to ask, there was a tasty brunette who looked good even in overalls.

I told her what I wanted and she offered to show me where it was.

As she walked ahead of me in the aisles I looked at her wiggling arse and immediately got a hard-on.

She led me towards a storeroom and told me: "I've been looking for some filler, too."

She shut the door behind us and whipped open her overalls to reveal a bra-less pair of 34Ds – at which I pulled out my own hole-filler.

She took one look and clasped her lips round the end, greedily sucking me as she grasped my balls in her hands.

As she lifted one leg on to a shelf I rammed home my length of timber for a five-minute quickie.

I asked her later if she'd go out with me, but she said no.

What's it all about?

RL, Hull

Bexie says...

BE satisfied with your DIY efforts.

...WITH MANDY DEE 36D-24-36 FROM BARNES, SURREY

NTASY

'I'm sucking one dick and w**king two fellas off while being pounded from behind'

I HAVE a naughty confession... I get really turned on by the idea of being spit roasted.

My wildest fantasy is flirting with some guys at a party, a joke being made about a gangbang and then us all getting carried away.

About four guys are kissing and caressing me. I'd strip off and be wearing some sexy lacy underwear and high heels.

I get on my knees and they all circle me and get their hard cocks out. I greedily begin sucking them all.

I'd love to be the centre of attention, with all eyes on me and them all desiring me. It's so animalistic.

The blokes get more and more fired up until one of them pulls my thong aside and penetrates me.

I'm sucking one dick and wanking two fellas off while being pounded from behind.

They all take it in turns to f**k me and I come just as they all jizz all over my arse and tits.

Hmm, I'm horny just thinking about it!

ALWAYS HOME
OF TOPLESS
BABES

WHAT do Angel Wicky and Sofia Lee like to do after they've had a bath together?

Get greased up and finger each other's bumholes, that's what!

Bouncing Czech Angel, who has 32F boobs, said: "I love the hot cock up my ass, exploding semen right into me."

"But if a cock is not there to go up my ass, a busty lady fingering my brown hole is good, too."

Sofia, who has 38G busters and who is also from the Czech Republic, said: "Angel has this trick where she gets her nipple really hard and rubs it on my tight little asshole."

"That drives me mad and I tell her to go and get the dildo and shove that up my ass. Is naughty, no?"

Angel said: "After all that, we are so hot and sweaty and oily and covered in pussy juice that we need another bath!"

EXCLUSIVE! The world's poshest porno is here at last!

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous stepdaughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smathers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

NATALIA PHILLIPS

PUB chef Russ Jones would happily share his meat and two veg with his favourite model, south London stunna Natalia Phillips.

Russ, 34, from Cardiff, has been dreaming of spending a Sunday with Bromley babe Natalia.

"Natalia is my ideal woman – sexy, 32C boobs and a cheeky look in her eyes," he told us.

"If she ever visits Wales, I'd love to be her tour guide."

"In fact, I could cook her a Sunday roast at my pub and then we could go upstairs to have some dessert!"

ANGEL KISS

MAN City fanatic Angel Kiss has been requested by TWO randy readers this week.

Demands for pics of the 34D babe came from two blokes from her home town of Manchester.

Chip shop owner Charlie Brady, 48, wrote: "She's easily the fittest girl to come out of the north west, I'll give her a free fish supper any time."

And builder Darren Goode, 50, said: "I'd love to show Angel just how good I am with my hands!"

Here you go fellas, Angel in all her glory.

ANASTASIA HARRIS

PERSONAL trainer Jonny Taylor wouldn't mind working up a sweat with sexy glamour girl Anastasia Harris.

The Bath fella, 23, reckons Anastasia would be the perfect workout partner – but he could get distracted by the Portsmouth stunna's 32D boobs.

He said: "Anastasia has a truly amazing figure – just look at her waist and her amazing boobs."

"I'd love to show her around my gym and get her pumping some iron."

"If I'm lucky, she might even pump mine as well!"

JAW-DROPPING Lucie Jones admits she loves dressing up in sexy lingerie and reckons as soon as she feels the silk stockings, she's ready for SEX.

The Bristol babe said every time she wears kinky underwear she wants to shag straight away – and admitted her night after this photo shoot was VERY saucy indeed.

The 32E beauty posed in an innocent-looking white set for these pics, but she confessed her thoughts in front of the camera were DEVILISH!

She said: "As far as I'm concerned, wearing sexy lingerie means you're getting ready for sex."

"There's no messing about when you're dressing up in all the naughty gear."

"That means whenever I put some on, I get turned on – I'm like a sexy Pavlov's Dog."

"It can be embarrassing on photo shoots though – I have to rein myself in or I get too turned on."

"Put it this way, after this particular shoot my boyfriend had a VERY good night."

ON THE UP: Gareth Bale

Dragons fired up for Estonia challenge

WALES

GARETH Bale says the Dragons must build on their Belarus win as they take on Estonia in Cardiff.

Wales have given themselves a chance in a red-hot World Cup qualifying group with that battling win.

Bale notched a hat-trick to take Robert Page's men to just one point behind the Czech Republic in the battle for second place behind the Belgians.

Estonia have lost their opening three qualifiers so it's a good chance for Wales to turn up the heat on their rivals.

Bale was delighted with the performance in Belarus but knows it will count for nothing if they don't bag another win tonight.

He said: "Every game counts. We know these types of games are probably the hardest games.

"For one, you're expected to win and the other teams make it difficult.

"Everything was against us. It was not a good first half but I felt in the second half we really changed it and we got on the front foot.

Momentum

"The pitch was not easy to play on — very dry, very soft — but the boys showed character yet again.

"It was like Andorra in the first Euro qualifier in 2014 — to get that kind of last-minute goal to get the three points and keep the momentum going.

"Hopefully we can keep that going into the next game.

"We know we have lost to Belgium, a very good Belgium team, but it is important we keep winning every other game.

"We all know the performance in the first half was not good enough. We corrected it more in the second half, we bounced back and got the three points, and that's all that matters at the end of the day."

Wales have a 100% record against Estonia from two meetings.

Both games were friendlies with Ian Rush getting the winner in the first game before a 1-0 win in 2009.

EVERY TWO YEARS A REALLY SILLY

Lions play too much for Gareth

SOUTHGATE ANTI WORLD CUP PLAN

GARETH Southgate believes a World Cup every two years is a mad idea.

By PAUL THOMAS

And the England manager thinks there is already too much football on the calendar without throwing that into the mix.

FIFA are trying to raise support for holding the World Cup every two years instead of the usual four.

If that happened, UEFA would try to have the Euros every two seasons as well meaning a tournament every single summer.

Throw in the African Nations Cup and Copa America and it adds up to potential chaos in the calendar.

Most managers already think top players don't get enough time off with most of the summer break taken up with internationals.

It turns out that Southgate has already spoken to FIFA envoy Arsene Wenger about having the World Cup

twice as often. And he's not a great fan of the idea, although he admits football will continue to evolve over the coming decades.

The England manager said: "I actually met with Arsene a couple of weeks ago — he was meeting a few different coaches — so I have a pretty good idea of the proposals.

"I think the whole calendar needs reviewing. My feedback would be I know our generation are going to find a World Cup every two years quite a strange concept.

"But I also know that things like The Hundred in cricket have been an incredible success, so I'm open minded about some of those things.

"But the calendar generally needs to be tidied up.

"We can't just add more in. I agree generally with the concept of better

quality matches, fewer matches of better quality across the board, but there's lots of other things that need consideration. We can't just add more in at the moment.

"We keep adding more competitions in and I'm intrigued to see what comes out to allow that space to happen because we can't keep adding onto the workload of the players."

Complex

Southgate says he is keeping an open mind about changes to the World Cup.

But his main priority is that his players are not run until they drop. He thinks many stars would be only too happy to play in more World Cups.

Southgate added: "It was interesting to hear the proposals and I was able to feedback some of my thoughts.

"Without knowing how all that fits together because it's too complex to

say it was all positive or I didn't agree with it all. There's too many different strands, so there's bits I thought could work, bits I think need more consideration and bits that probably wouldn't work.

"I'm not hugely pro or massive negative about the concept. I think it needs a lot more thought.

"As a traditionalist, it feels you could lose some of the allure of the World Cup because the scarcity of it makes it more important.

"But I also get it that if you are a player who has an injury for the World Cup, you might only get one opportunity every eight years, and that is really tough. I am not certain on that side of it."

Southgate wants to see players have more of a role in shaping the football calendar.

He added: "The players' unions could gather the thoughts of the players and I just think everybody

MOVE SAYS ENGLAND GAFFER

TOO MUCH: Gareth Southgate wants to see the football calendar reformed

has to work together on the football calendar.

"We talked about this after Covid and you can't keep adding. We have had some fixtures that have been so difficult, if you think back to last September when the players had not played a league game, then we were expected to play at a high level in international fixtures.

Works

"We can't keep adding in those things.

"But none of us in the game are holding our hands out for less money, so we also have to accept that comes with a consequence.

"There is a balance to all this but across the board governing bodies have to work for a calendar that works for the leagues and confederations and for FIFA.

"It has to be coordinated. If we are

looking that far ahead, there is no reason it can't be."

There could be major conflict as UEFA are not happy about the move for more World Cups.

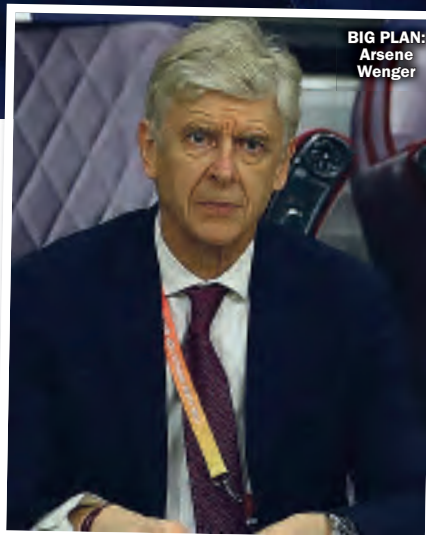

That would definitely take away from their own Euro finals.

European football chief Alexander Ceferin said: "UEFA and its national associations also have serious reservations and grave concerns surrounding reports of FIFA's plans

"If realized, the new schedule will have an adverse impact on the balance between local, domestic, continental, and international competitions

"This will likely undermine tournaments such as the Asian Cup, Africa Cup of Nations, Copa America, European Championship, Gold Cup, and Nations Cup, which hold just as much importance to matchgoing fans as the World Cup itself."

POSITIVE:
Steve Clarke

Clarke: We have still Scot what it takes

SCOTLAND

STEVE Clarke is confident his Scotland side are right on track to make the World Cup finals.

It's been a mixed start for the Tartan Army as they bid to reach Qatar next winter.

Denmark look to have top spot all sewn up with a healthy lead. It means the Scots are in a three-way fight with Austria and Israel for second place and a place in the play-offs.

Clarke has come in for plenty of stick after the Tartan Army's flat performances since the summer Euros.

But he insists it doesn't bother him or the players.

Clarke was happy with the performance in the 1-0 home win against Moldova even if many critics weren't.

He said: "I don't read a lot of what gets written anywhere when I'm in camp.

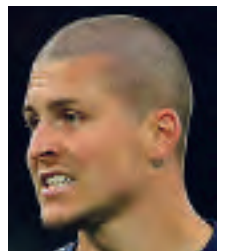

"I'm very singular and have to concentrate on what I think and what we're going to do as a group.

"We always knew going to Denmark would be a tough game.

"We knew we had to beat Moldova at home.

It would have been nicer to beat them by two or three which probably on the night we deserved.

"But it was also very important that we got the three points. We did that and the spirit within the camp is

MOLDOVA WINNER: Dykes

good. The lads are looking forward to the rest of the campaign.

"It was always going to be big for us no matter what happened previously.

"We knew this was a big week for us in the campaign.

"We said that we wanted to be involved when it got to the October and November games and we're still on schedule for that."

Brad ain't bad says boss

NORTHERN Ireland could have a new star in Liverpool youngster Conor Bradley.

The teenager is expected to feature in the crucial World Cup qualifier against Switzerland tonight. He came off the bench to set up the winner for Shane Ferguson in the 1-0 friendly win against Estonia in Tallinn.

Boss Ian Barracough is expecting big things from the teenager. He has yet to make his full debut for Liverpool but has a couple of Northern Ireland caps.

The Norn Iron gaffer said: "Young Conor Bradley has only turned 18 and he's a prospect for the future.

"To give him gametime was important and I thought he came on and gave us that enthusiasm as well as looking to go forward.

"It's all about giving these players experience and game time so that when they're called upon for a qualifier for instance, they know what it's all about.

"I'm always enthusiastic about matches like this because it gives me a chance to see some young players coming off the bench."

Sign Jude up says Liverpool skipper

JORDAN Henderson is a big fan of England teenage midfielder Jude Bellingham.

The Liverpool skipper has gone out of his way to sing the praises of the Borussia Dortmund ace.

And that's sparked major talk that Reds boss Jurgen Klopp will raid his former club this summer to sign

By JOHN ANTHONY

the 18-year-old. Ironically it would be Henderson's starting place up for grabs at Anfield if that happened.

But he is clearly very impressed with the young England star.

Henderson said: "He is miles ahead of me when I was that age."

"Even at such a young

age he shows fantastic maturity on and off the field. You can see how hungry he is to be a top player and has all the attributes to do that.

"I was trying to help as much as I could but to be honest he is a top player who has shown that in the big games for Dortmund. I see him going from strength to strength all the time."

"I don't want to praise

him too much and put too much pressure on him.

"But he has a very good head on his shoulders, he has good people around him and a good family."

"I think he will be a top player going forward."

Bellingham has four years left on his deal at Dortmund and would cost at least £50m if he can be persuaded to move.
